**Mormon Symphony Orchestra and
Concert Choir to Perform Here**

A premiere Southland performance of the combined Brigham Young University of Southern California Symphony Orchestra and the Long Beach Eighth Ward Concert Choir has been scheduled at the Church of Jesus Christ of Latter Day Saints, 2000 W. Artesia Blvd., at 8 p.m. on Friday, Feb. 17.

Rowan Taylor, noted composer of eight symphonic works and conductor of the orchestra, will be aided at the baton by J. Ross Beckstead, assistant director and associated professor of music at Los Angeles State College.

I. CALVIN GREER, conductor of the Concert Choir, is director of instrumental music at El Camino College and musical director of the East Long Beach Stake of the Mormon Church.

The choir will sing the hymn "God of Our Fathers," and

three early Russian melodies to open the program.

Mary Gray will then be featured as soloist as the orchestra plays Mozart's Piano Concerto No. 23 in A Major. The orchestra also will play Schubert's Symphony No. Eight in B Minor, the "Unfinished Symphony."

OTHER NUMBERS scheduled by the choir include "Oh, My Father," by Tracy Cannon; "Though Deepening Trials," by I. Calvin Greer; Debussy's "After Glow," Churchill's "Black is the Color of My True Loves Hair," and Ringwald's "Faith of Our Fathers" and "Battle Hymn of the Republic."

This will be the first appearance of the two acclaimed units together. The orchestra, organized last July, includes in its membership Dawn Adams Phelps, concertmistress, who is a noted violinist and former instructor at UCLA; William Lym, oboist, and Zhay Moor, harpist, who have played with major studio symphony orchestras.

Tickets are available at the stake center. Donations of \$1.50 are being asked for the benefit performance. Patron tickets are available for \$2.50.

There are more people suffering from arthritis than from tuberculosis, cancer, diabetes and heart diseases combined.

**Vermont Ave. Bridge Work
On Schedule**

Supervisor Burton W. Chace said yesterday that construction work on the new bridge at the intersection of Vermont Ave. and 208th St. over the Torrance Lateral in the West Dominguez area is on schedule.

The channel invert has been graded and preparations are being made to place the reinforcing steel in the bottom slab of the culvert, he added.

The improvement, which was begun last November, consists of constructing a reinforced concrete triple box culvert 190 feet long and approaches and minor channel modifications. The entire project, designed by the Los Angeles County Road Department, is in unincorporated County territory and is scheduled for completion in August.

"Vermont Ave. will eventually be improved to full width, accommodating six traffic lanes, with the completion of this bridge removing another obstacle to such ultimate development," Chace said.

He also pointed out that during construction closing of Vermont Avenue and 208th Street to the east is being avoided by the use of a detour adjacent to the bridge. Through-traffic on 208th Street to the west is being diverted to adjacent streets.
